Learned Government Pleader after getting instructions from respondent No.4 submits that the apprehension of the petitioner that he is likely to be deployed to another school does not appear to be correct, since the Principal has informed that petitioner's name does not figure in the two orders issued by the Deputy Director of Education in this regard. It has been further informed by the Principal that even though petitioner's name was included in Ext.P1 proposal, as on today, he is not under any threat of deployment, since Smt.Gracy Thomas has already been deployed to the school at Kundara. In that view of the matter, no further orders are necessary in the writ petition. Recording the above submissions made by the learned Government Pleader, the writ petition is closed.
